

**Toluna**<sup>TM</sup>  
In touch with people

# Your target audience has so much to say!

**Create your own branded digital community in minutes and engage directly with them, in real-time.**

Collect rich, real-time qualitative and quantitative insight on an ongoing basis with just the click of a button, by sending surveys, presenting topics for discussion, and viewing results - all within the industry's first and leading end-to-end research platform.

**Toluna QuickCommunities<sup>TM</sup>** enables you to create your own highly engaging, branded web-based community in just minutes and recruit from Toluna's global survey community, or your own survey respondents.

**Toluna**<sup>TM</sup>  
**QuickCommunities<sup>TM</sup>**

The industry's first and only real-time DIY community platform.
