

Presidential Campaigns' Impacts on Sectors

The epic battle finally came to an end. Toluna conducted a quick study* using Toluna QuickSurvey to better understand how the candidates' presidential campaigns affect the property and legal sectors of U.S.

Property Sector

1. Profession background as pivotal focus from media

2. Positive impact on young people's career pursuit

3. Positive influence on Property/Legal sectors

Legal Sector

54% Respondents agree that Trump's business should consider to eliminate the use of his name

50% Respondents believed the impacts on legal sectors are more felt by women
